Your complete guide to this issue's BONUS VIDEOS

This issue comes with 10 full-length bonus videos.

As always, these videos are totally free with absolutely no strings attached. You can stream them on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take ***18eighteen*** anywhere you go.

Here are the highlights of this issue's bonus scenes.

Dakota is ready to cum. We try to interview her, but all this blonde does is play with herself. She treats us to a pussy show, complete with a deep fingering and a juicy orgasm!

Kaci Lynn starts her scene by having her guy finger her pussy until its squelching. Soon after that, we hear a similar wet, squishy noise, but this time it's Kaci sucking his long cock. With their respective genitals properly moistened, the guy slips his dick into her teen tunnel, and Kaci rides his cock till he sprays her face.

Anna Bell loves showing off for you. In this POV video, you're behind the camera, and she's giving you a private show. She gets so turned on you can hear her juices sloshing out of her cunny while she fingers her twat.

Jennifer Matthews is 4'10" and weighs 90 lbs. She's a pocket girlfriend. You can pick her up, spin her around and fuck her in just about any position imaginable, which is exactly what JMac does.

Valarie Synns is a giggly teen who likes to talk about boys. "I like it when they lick my pussy and my tits," she says, then gives us a peek at her juicy bits. She sticks her fingers in her tight pussy and tugs on her nipple rings. Then she uses a big pink dildo to show you exactly how she likes to get fucked. She likes it nice and deep!

It's Ava Hardy's first three-way. And horny MILF Trixie shows her exactly what to do. The girls make out, and Juan gets hard as a rock. He whips out his impressive member and the two ladies take turns slobbering all over it, lubing him up for little Ava's first ever three-way fuckfest.

What is Loreen stretching and warming up for? A workout? Only if you count getting naked and masturbating as exercise. She gets her heart rate up (and hopefully yours, too) as she fingers her meaty pussy and writhes and moans.

Stella May teases but always delivers. She gives her boyfriend a lapdance, and once he's hard, she sucks and fucks him till he jizzes on her.

Adrian Maya giggles a lot and rubs her clam. She has a nice innie pussy that she stuffs her fingers in, spreading the wetness from her hole all over her clit, moaning as she cums.

Ariana Marie is super tight. Her fuck buddy warms her up by fingering her slit. It hurts her a little, but she likes it. When the moment comes, he slips his cock in inch by inch, letting her tight canal adjust to his girth.

Selena's Nude Pics

Dear Virgin Territory,

I knew just by looking at the cover Vol. 24 No. 3 was going to be a banger. A bunch of hot girls, and the main covergirl, Selena, is sexy as hell. I like that she started her pictorial by taking a picture of her pussy, because

Selena wants to show off her twat to the world.

I feel like it's realistic to how girls are today. I've gotten my fair share of nudes, and I've been known to send out a dick pic here and there. I'm all for sexual liberation, including nude pics. I can tell you one thing: If Selena sent me a picture of her pussy, I would be over at her place in a flash. If I was in that guy's position and my friend's 18-year-old daughter wanted to fuck me, I'd most likely do it. Maybe that makes me a piece of shit, but I'm willing to bet just about every guy would do the same. Good thing I don't have any kids!

It looks like Selena knows her way around a cock. She swallows it down to the balls while maintaining perfect eye contact, and she takes it deep in her pussy without wincing. Great cum shot as well. She looks almost serene with the cum dripping off her face. I thoroughly enjoyed her layout and the other girls in the magazine. Has Selena already been featured in a solo layout?–K.F., via email

Dear K.F.,

You can see Selena's solo pictorial in Naughty Neighbors *Vol. 27 No. 2.*

Almost-Celebrity Crush

Dear Virgin Territory,

Paging through the Vol. 24 No. 3 issue, I spent a good amount of time on Kira's layout. You mention in her story that she looks the actress Rachel Brosnahan from *The Marvelous Mrs. Maisel*. I didn't recognize the actress' name or the show, but I had to look her up because I

Kira looks like a famous actress if she had decided to do porn.

Trinity resembles Jennifer Aniston.

love a good look-alike. Once I saw Rachel, I recognized her from *House of Cards*, and there is definitely a strong resemblance between her and Kira. It made looking at Kira's photos even more enjoyable.

As for Kira, her coy expressions pulled me in and her perky breasts and smooth pussy finished me off. The photos of her spreading her pussy made me want to get down between her legs and stick my tongue between her folds. Kira looks like she has a delicious pussy, and her sweet girl juice would be a pleasure to taste.

Are there any other models you've featured who you think resemble celebrities? This could be a fun feature for a future issue.–J.Z., via email

Dear J.Z.,

We always thought that Charlie Lynn resembled Elizabeth Shue. From certain angles, Trinity looks like Jennifer Aniston. And Natalie Porkman could be sisters with Natalie Portman. If any other readers think a model resembles a celebrity, please write in and let us know.

A Night with Nikki

Dear Virgin Territory,

Nikki is one of the hottest girls you've ever featured in your magazine. I might be biased because I love blondes, but I'm sure plenty of your readers would agree with me (speak up, fellas!). Her face and body are stunning. She could have anyone she wants. A girl like her shouldn't have to masturbate; she should get fucked properly as often as she wants. I know I would worship her body the way she deserves.

Two years of lock-down have made Nikki crazy horny.

I would start off with Nikki in the position she's in on the top of page 22 of Vol. 24 No. 3, on all fours. I would lick her pussy and butthole up and down, making sure to cover every inch with my tongue. Then after she came and covered my face with her pussy juice, I'd lay her on her back and kiss her so she could taste herself. I'd tease her pussyhole with the head of my cock until she's begging me to fuck her. Only after she tells me how badly she wants it would I plunge in all the way, balls deep. We'd screw in all kinds of positions and vary the speed and intensity, from fast and hard to slow and gentle. She would cum again and again, and then I would blow my load deep into her pussy. One can dream, eh? Now I'm all worked up. Please tell me, where can I see more of Nikki?–C.B., Jacksonville, Florida

Dear C.B.,

You can see Nikki's solo masturbation video online at 18eighteen.com.

Rising to Reyna

Dear Virgin Territory,

I couldn't help but notice that at the beginning of Reyna's pictorial in Vol. 24 No. 3, she stirs a guy from his slumber to give him a blow job. This made me happy because that's a favorite fantasy of mine, to wake up to a sexy girl sucking my dick. I don't care how tired I am, I will always rise to the occasion when it comes to sex. The oral in Reyna's pics was pretty hot. She blew the guy hornily and he lapped her nicely. I bet her pussy felt so tight in the bottom pic of page 47. I find that position, with knees together and pulled up to the girl's chest, really makes for a tight fit when you stick your cock in. She's also in that position on page 49, and my cock gets hard just think-

Now, that's a tight fit for Reyna.

ing about what it would be like to slide into her like that. Reyna's centerfold pic was also very jack worthy. It's a great penetration shot and her expression is playful and naughty.

Her pictures were all hot; there genuinely wasn't a bad one in her layout. I also liked the close-up angle of the cum shot. Now I'm going to go to sleep and dream of her and wake up and jack to her.–P.W., Stockton, California

Dear P.W.,

Be sure to check out Reyna in Tight & Stretched 3.

Samantha Resembles Shiv

Dear Virgin Territory,

Samantha from your most recent issue (Vol. 24 No. 3) is one fine, foxy woman. She looks more like the "older sister" type, but that doesn't bother me. I would be fine seeing

Does Samantha resemble the character Shiv Roy from *Succession*?

women in your magazine in their early- to mid-20s. All that matters is that they're hot and horny, and Samantha fits the bill. I also don't care if a girl is flat or has big boobs. I just like tits, and Samantha's are on the fuller side. In fact, she has a great pair of tits. They're round, incredibly perky and damn near perfect. Her pussy is

quite smashing, too. It has a nice inner to outer labia ratio.

As I looked at her pictorial, I kept feeling like she reminded me of someone, but I couldn't figure out who. Then it struck me! She looks like Siobhan Roy (actress Sarah Snook) from *Succession*. I don't know if it's just the red hair, but I see it. And they both have hot, curvy bodies. Now my fantasies of "Shiv" Roy porn have come true!–A.B., Cary, North Carolina

Dear A.B.,

It's funny you mention that. Check the letter titled "Almost-Celebrity Crush" in this section for another reader who points out a model who looks like a celebrity.

Kentucky Cutie

Dear Virgin Territory,

The guys out there who like rail-thin skinny gals can keep 'em. I love a girl with some meat on her bones, like Annie. Her curves and pale complexion turn me on so much. You mention that she has a Southern accent in her pictorial, and that is the cherry on top. I need to watch one of her videos ASAP so I can get the full Annie experience.

Her ass also looks great in that thong. No pancake booty here! Annie has the kind of tits you can grab onto while she rides you, along with those curvy hips of hers. The way she's kneeling on page 73 of Vol. 24 No. 3 is how I imagine she'd be while waiting for a guy to spray her with cum. I hope that's something we'll be seeing soon. I need to see this Kentucky

cutie in XXX, with her mouth and pussy stuffed full of cum.–R.W., Frisco, Texas

Dear R.W.,

Annie did hardcore in our Vol. 24 No. 4 issue (International version only), and she did get a faceful of cum. You can also watch her hardcore scene online at 18eighteen.com.

MOVIE PREVIEW

MY Lil' PUSSY

Hard cocks barely fit in their tight slits!

SERINA GOMEZ

18-year-old girls are cute, young and supple. And best of all, their pussies are vice tight. It can be addictive to stick your dick in something that feels so good, and the feeling is just as intoxicating for the girls, too. Serina can't cum enough when she and her dance coach do the horizontal tango. Leana is a plush ride for a hard cock. She bounces on her guy's dick and gets a facial.

LEANA LOVINGS

REESE ROBBINS

ALEXIA ADAMS

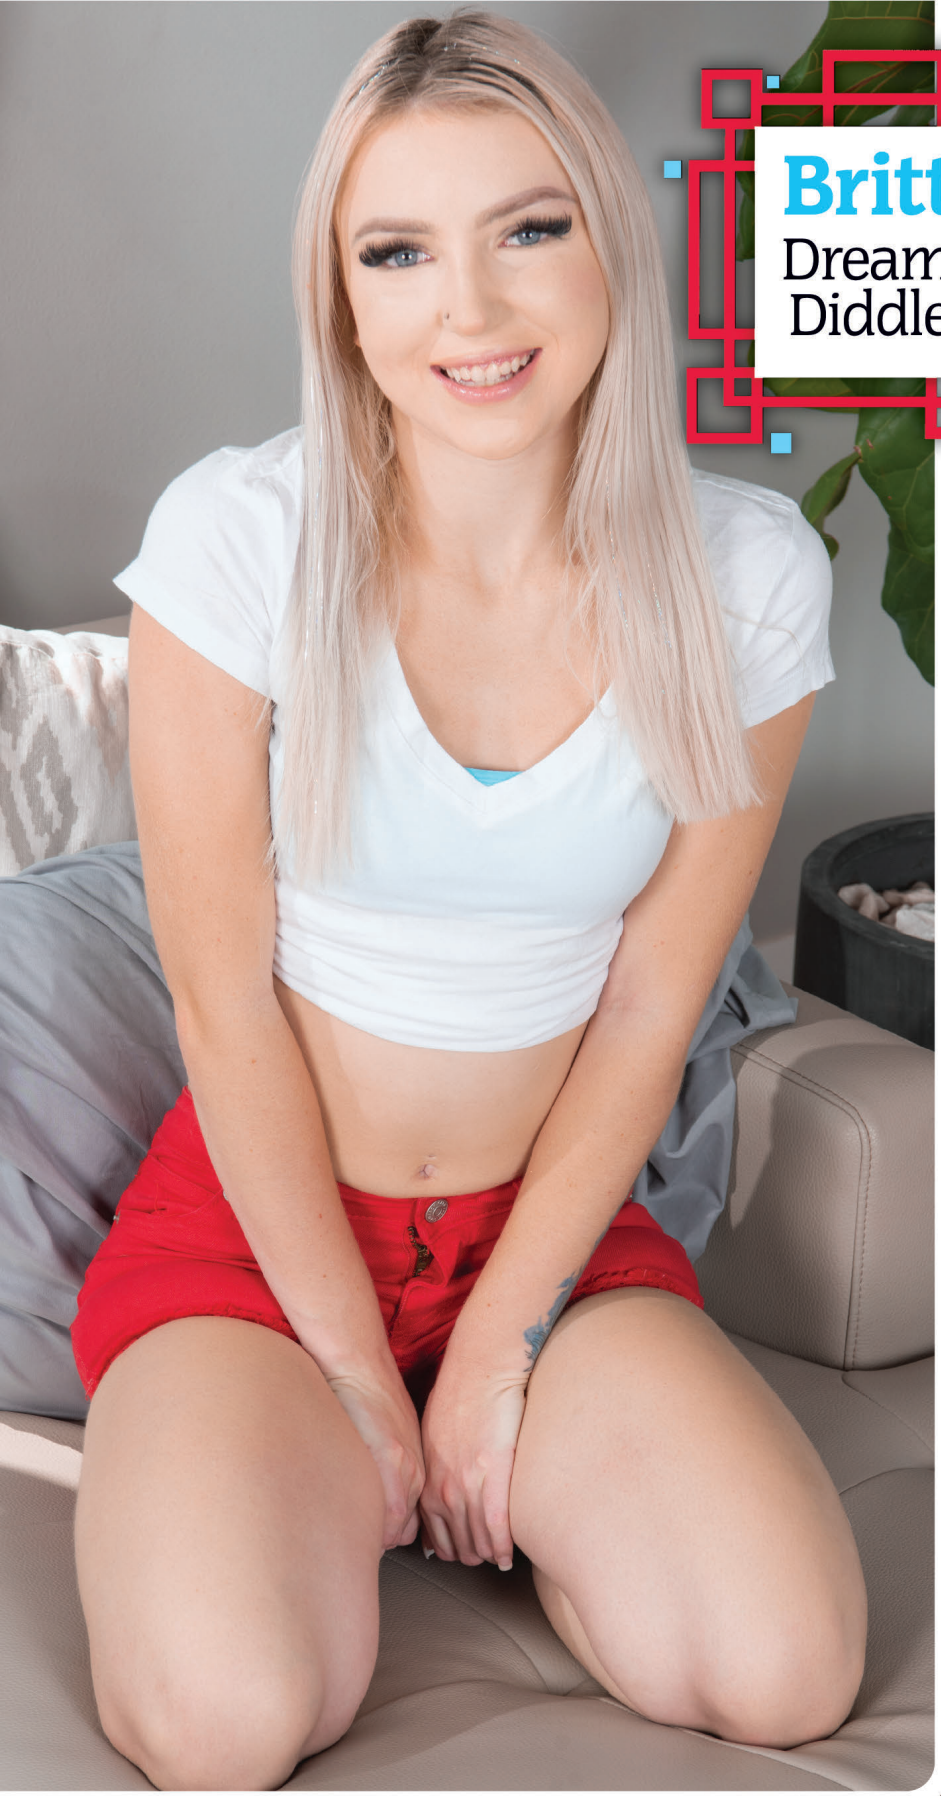

The human body is a marvel. Normally, these girls can only fit one or two fingers in their pussies. But get them horny and they can take on a meat hammer that would intimidate even an older, more experienced woman. Reese's guy bottoms out in her twat, and she coats his shaft with girl cum. Sensual Alexia encourages her fuck buddy with hot dirty talk as he raw dogs her slit.

It's taboo for an older guy and an 18-year-old girl to hook-up. And that's exactly why Asia is so turned on. She knows she shouldn't be fucking the husband of the woman who hired her to babysit, but that just makes her cum even harder. Britt gags on her boyfriend's cock, and she moans while it's in her pussy. She's so tight, her lips grip his rod while they fuck. No wonder she gets such a big load at the end!

Britt: Dreamy Diddler

Britt can't stop touching herself.

This tiny, tight blonde is so irresistible that even she can't keep her hands off herself. With those perky tits and that tiny waist, we can see why she'd always want to touch her body. When she pulls her panties to the side, Britt reveals juicy, meaty pussy lips that also look fun to play with.

So you masturbate a lot?

"Yes, but I only recently started masturbating. I was raised very religious and strict, and I believed that masturbation was a sin. Well, let's just say I don't think that anymore, and I'm making up for lost time. I can't stop touching my pussy! Pretty much every time I'm alone, I have to get off."

You must feel so much better.

"I feel 100% better. I think about all the times before I started masturbating that I felt horny and didn't do anything about it. I just sat there with a wet, throbbing pussy, letting all that juice go to waste. It was like torture, but now being able to make myself cum feels like the sweetest relief."

BRAT CHAT

HEIGHT: 5′3″
WEIGHT: 103 lbs.
BRA SIZE: 32A
BORN: Feb. 27
LIVES: Post Falls, Idaho

Lisa and her BFF were broken down in BFE, their summer road trip on a downward spiral. When a cute guy finally pulled over, though, the pair thought it might work out in their favor that they'd stalled at a...

Three-Way Turn

By Joe Monks

Darcy was wearing down. Lisa was still willing to jump around and wave her arms to try and get someone to stop, but it was getting hotter by the minute. Darcy didn't know what the temperature was, but her bra was soaked to the point her boobs were getting irritated. She didn't dare tell Lisa, though—her bestie would probably unhook it and wave that around, too. Or, since Dee had the bigger tits, try to convince her to jump up and down topless.

When Lisa first suggested the road trip, Darcy had been iffy. After two years of lockdowns and quarantines, though, both were more than ready for some fun. Prom being cancelled had been the icing on the "go wild!" cake. They had graduation money and were desperate to let loose, and Lisa had just gotten her license.

Unfortunately, Lisa had also gotten her uncle's hand-me-down car, which had good A/C but 224,000 miles on it. It was the car they were standing by now, on the side of the road. In the middle of nowhere. Darcy didn't even know there were places where your smartphone couldn't get a signal. Lisa and her beater, though, had found one.

"Break time," Darcy announced, kicking a rock and getting back in the car. Whatever was wrong hadn't killed the battery, so they'd been using the air conditioner every fifteen minutes or so. Not that it was doing anything to make Darcy's bra any less see-through. Lisa slipped in beside her and turned the key. Cool air began blowing. Lisa's nips stood up like she'd just gotten fingered by Tom Holland. Despite the circumstances, she remained upbeat.

"Hey! Try this," she suggested, lifting up her shirt. With only four cars having passed in the last hour, she'd few worries about anybody catching a peek at her boobs.

"This sucks," grumbled Darcy, only half paying attention to the road. Lisa's boobs, though small, were far more attention-worthy. Sure, she'd seen her friend's nips before, but there wasn't any downside to eyeballing Lisa while she jiggled in front of the vent. Sweaty boobs were sweaty boobs.

"Oh, come on," Lisa encouraged. "Trust me!"

That was the problem. Darcy always trusted Lisa, which was how the pair got into situations like this. Darcy wasn't as slim as her gal pal, and well through junior year she had been flat-out chunky. But with so many parties canceled and restaurants closed during the pandemic, she'd lost a couple of pounds. Luckily for her, though, none of those pounds came from up top.

"Here," Lisa said, lifting Darcy's shirt. "Get 'em over here. Yeah, like that. Uh-huhh. Oh, geez, Dee, are you kidding? Shake them a little!"

Sproing! Lisa's hand was up the back of Dee's shirt before she could say anything, and now both teens were bare-breasted, leaning over the dashboard. Darcy shivered, frosty air sending tingles through her tits. Lisa hadn't been lying. Not only did her underboob feel better, her thick, dark nipples were standing at attention, too. In the four days they'd been on the road, she hadn't gotten anyone to suck them, but who knew? Maybe someday they'd get a ri—

The rap on the passenger window made her squeal, fighting to yank down her shirt, bra still unhooked. Standing by the car was a guy of

about 30, chuckling at her.

"You gals, uh…all right?" he asked, unable to hide his amusement. Darcy turned red. Lisa was already out the door, reaching for the hood. Darcy watched their rescuer head up front, checking out his ass as she struggled to re-do her bra. Her nipples had gotten even harder.

The ride to Dev's place wasn't long, just slow. Lisa's car was tow-roped behind them, though with so much stuff in his ride, Li and Darcy barely fit in the cramped back seat.

"Cool enough back there?" he asked, turning up the A/C. His car had rear vents, so cool it was. Getting downright chilly, in fact. Darcy was sure Dev had noticed Lisa's erect buds even before diagnosing the problem with her wheels, and both girls had shared a glance or two while Dev was bent over the engine, sharing the same thought. *Vroom…*

Dev did some engine work on the side. Dev had a land-line. Dev also had a friend who could probably get the part he needed to get the girls back on the road. He hadn't expected company, though, and Darcy's heel was resting on a box of something or other that practically put her leg in the front seat. Dev's elbow had brushed it a couple of times now… even when he hadn't been shifting. At the next stoplight, he looked back and patted her thigh.

"Don't you worry," he said. "You'll be on your way 'fore sundown."

Lisa moved, her elbow nudging Darcy's tit. It hadn't been on purpose, but…it hadn't not been, either.

"Mmmmmmmmm," Darcy unintentionally moaned, Dev's hand still on her thigh. He smiled again. Damn but he had a sexy smile.

"So, cool enough, I take it?"

"Depends," Lisa said, head on Darcy's shoulder. Now, she had a hand on Darcy's thigh, too. "Might get warmer. You never know."

Her cheek rubbed Darcy's boob. Trapped, Darcy couldn't back away. Not that she wanted to.

"You warm or cold, Dee?" Lisa asked, turning sideways and laying across Darcy's lap. Her knees were up against the window, face pressed into Darcy's knockers. Darcy sucked in a breath. Lisa continued on. "Ohhh, did I do this?"

She ran her thumb around Darcy's throbbing nipple. Darcy pressed her thighs together as best she could, trying not to cum. A horn sounded. Dev got going, but only after adjusting his rear-view.

"You let me know if you need anything," he commented, the double-meaning impossible to miss. He turned onto a side road, and all hell broke loose.

Lisa dug her elbow into Darcy's crotch, dampness oozing into her jean-shorts. Then, the road got bumpy. Like, really bumpy. The result was a gush of girl-goo as Darcy creamed, pinned to the back seat by her BFF. Lisa grinned up at her, able to tell. Returning the favor, Darcy palmed one of Lisa's knobs and went to work.

It wasn't like the pair hadn't cum around each other before, but never, not in all the previous times, had there been anyone else there. Lisa didn't appear to care. Darcy, though embarrassed at first, quickly got over it.

Darcy's next climax left her reaching for something to hold onto, which turned out to be Lisa's waistband. They were in a place they'd never been before, but Darcy couldn't shake the sensation that Dev, who'd grown up here, was intentionally hitting every rough spot he could. If it turned out he lived on a gravel road, he was gonna need to towel dry the back seat.

"Just another minute," he announced, hardly paying attention to the road at all now. Lisa had one hand up in Darcy's hair, gripping a fistful of red-brown locks. Her other hand, which Darcy didn't think Dev could see, was in her underwear, working furiously. Darcy was grateful the back seat smelled like motor oil and car parts. Any second, the smell of teen pussy would overwhelm it.

They spilled out onto his front porch—literally, Lisa on cum-wobbly legs. Dev held open the door, extending his arm like a maître d'. He eyed them for a moment, still looking amused, before excusing himself to call his buddy. Lisa collapsed onto his couch.

"Please tell me he eats pussy!"

"Li!" Darcy exclaimed, looking in the direction Dev had disappeared. Lisa grabbed her hand, pulling her down beside her.

"Do not tell me you don't wanna fuck him," she said. "I saw the way you were staring at his ass!"

"So? He's got a cute butt."

"And a big fucking dick," Lisa added, putting up her index fingers and holding them about eight inches apart. "You see that bulge? I bet he's huge. You telling me you don't wanna get your mouth on that?"

Truth was, she did want that cock. Doggie style, flat on her back, on her knees—however she could get it. She might be shy, but two semesters without even hanging out with boys? She was horny as hell and desperate for dick.

Darcy shrugged while looking away. Truth was, she did want that cock. Doggie style, flat on her back, on her knees—however she could get it. She might be shy, but two semesters without even hanging out with boys? She was horny as hell and desperate for dick. She knew Lisa felt the same and was surprised Li wasn't already squirming out of her bloomers.

"You, you think he wants to?" Darcy asked.

"Who cares?" Lisa said. "I want to. And, I know you do, too."

She squeezed one of Darcy's aching nips. They'd been erect for so long now that it was almost unbearable.

"You ladies thirsty?"

Dev held out a pair of soda bottles with SQUIRT on the label. Darcy almost did.

"Monty says it'll be about an hour," he told them, taking a big swig. "He's gotta wrap up a wiper-motor job, then he'll—"

"So…we've got an hour?" Lisa interrupted, pulling off her top and laying it on the couch. "Just…the three of us?"

The emphasis was on three, but the look she shot Darcy wasn't quite enough to get her to begin stripping down. Not until Dev dropped onto the couch between them and shared the taste of his soda with her…from his tongue.

Darcy didn't protest when he

Reese: Wide-Eyed & Wanton

You can have lots of fun with a flexi fuck.

Reese is flexible, and she wants to stay that way. She maintains her mobility by getting into bendy positions whenever she can, especially when she fucks. "I love to lie back and spread my legs all the way back so a guy can eat my pussy. Then I bring my ankles up behind my head so he can fuck me really deep. Those moves always impress guys."

Are you flexible all over?

"Yes. And you know what else is flexible? My throat and my pussy. Even though I'm petite, I can take big cocks! The hung guys I hook up with sometimes hold back, until I show them I can handle their cock down to the balls in a split."

What's your fantasy?

"I like group sex. I have this one scene that I keep thinking about. It's where I'm in a backbend sucking cock while another guy fucks me. I don't know how difficult it would be, but I'd really like to try it. I'd also like to try that position while I eat pussy and have mine eaten, too."

Rharri: Curvy & Creamed

She only needs a cock stuffing.

Rharri's generally a confident girl. But she has one little insecurity: her boobs. She stuffs her bra to make her chest look bigger, but JMac is onto her. After pulling tissues out of her bra, he assures her that he likes little tits, and to prove it, he's going to fuck her hard. Rharri's confidence rises along with JMac's cock.

Booty lovers will appreciate Rharri.

In the video for this scene, the chemistry between these two is apparent when they start fucking. Rharri loves the way JMac makes her big butt jiggle as he pounds her. She enthusiastically claps her ass, and he slaps it. Check it out in the movie *Creampie Cutie Pies 3*.

JMac deposits that validation right in her pussy.

Rharri loves getting dicked down every which way. Getting stuffed with cock is way better than stuffing her bra. And those tiny tits earn her a creampie deep in her pussy. “I guess tiny tits aren’t so bad!” she said after her scene. “I was leaking cum out of my pussy for hours.”

Lezzies on the Loose

Sapphic sluts chow down on pussy!

Lez talk, more action! The pussy-loving hotties in this special go down and wish they never had to come back up. The girls you see here are from a classic scene in *Naughty Hottie Slumber Party*, where a sleepover turns into a full-on lezzie lick-fest. They're into guys, too, but this night it was all about exploring their bisexual fantasies. They kissed. They fingered. They licked. And to end the night, they all dildoed their pussies for countless orgasms. They sure slept soundly after that.

Jessica Doltin
Ashley Johnson

For guys, the friend zone is known as a place of no return. For lez and bi girls, it's the fastest way to get some action. Most of the girls in this special started off as friends, and the closer they got, the more comfortable they felt exploring each other's bodies. Soon their daily trips to the mall were replaced with orgasm-filled afternoons in their bedrooms. Some of them, like Jodi and Sindy, even graduated to bringing in a guy for a threesome.

Aubrey and Sammy planned a pool day, but Sammy didn't know that Aubrey intended to take it to the next level. They went from rubbing sunblock on each other to rubbing each other's pussies. Rilee and Jenna were besties growing up, but then Rilee moved away. Now whenever Rilee visits, the two make up for lost time with hours of slit lapping. Raven is Zoey and Megan's bitchy boss. When Zoey tries to defy Raven, the MILF demands the girls undress, finger her cunt and eat each other's pussies.

They say college is the time for experimentation, and that's exactly what Isabella and Teagan do. They're more than just dorm roommates. They're lezzie lovers! Charlie and Remi will make all your lesbian fantasies come true. Remi is a skinny, cute brunette, and Charlie is an athletic, busty blonde. Together they make a nut-busting duo as they kiss and lick every inch of each other's bodies. And what's better than two teen cuties? Three teen babes getting down and dirty! Alicia, Ashley and Alyssa get all tangled up in the best way during a lezzie three-way. THREE-WAY TURN

Continued from page 28

peeled off her shirt, Lisa groping for his buckle. She was having some trouble, though, considering how hard he was. His erection was straining against the denim, eager to be set free. With Darcy's shirt off, though, he had a chance to give her a hand. And two handfuls of cock. Lisa's eyes widened at the hunk of man meat crossing her palms, the way she had when she'd snuck her mom's credit card and ordered a vibrator off the internet. When they'd taken that plastic dick out of the box for the first time, they'd been stunned. By midnight, they'd also been out of batteries.

Lisa was on the floor, drool hanging from her lips as she sucked the tip of Dev's prick. Darcy, meanwhile, was pressing her tits into his face, fingernails digging into his scalp, his tongue ravaging her swollen nubs.

"Yes!" she hissed, biting her lip and throwing her head back. Darcy had hypersensitive C-cups, which made playing with her nipples a slam-dunk cum. Sucking on them, even more so.

Darcy was frantically trying to pull down her skirt, her panties soaked, Dev's hands all over her. First on her titties, then her round ass, then…then tugging down her cotton undies. The scent of her gash got Dev even harder, as Lisa experienced as a thrust pushed aside her tonsils. She pulled him from her mouth, spat on his dick, and jacked him with both hands, trying to catch her breath.

"Almost gagged me with it," she teased, slurping up a blob of pre-jizz.

"Sorry, I'll try harder next time," he said with a wink, grabbing the back of her head and pulling her back down to continue the face-fucking.

Darcy was fighting to hold it together. Dev's fingers were in her, and they were swapping spit like it was going to be outlawed. His tongue twined around hers just as his thumb found the spot. To the left of her clit, pressing down at an angle. Darcy shrieked into his mouth, her body twitching like a plucked harp string.

She bit into his shoulder, shuddering violently. After the climax, he rubbed his sloppy fingers across her lips before kissing her again. Darcy

Ana: Sweatin' Sweetie

She stays healthy and horny.

As a former gymnast, Ana takes her physical fitness seriously. She works out regularly, but cardio and weights aren't the only things that make her sweat in the gym. "I love drooling over all the hot fit guys working out, and I get so turned on when they check me out squatting."

Ana, how do you dress to the gym?

"Skimpy. I'll usually wear a tanktop with no bra so my big nipples stick out. And I either wear leggings or tiny shorts, both of which give me camel toe. I'm not embarrassed though. I want everyone to look at my nips, pussy and ass and get horny from my goods on display."

Have you ever fucked anyone from the gym?

"Yes. My personal trainer. Honestly, I hired him because he was hot. My pussy was drenched after every session. The chemistry between us was really strong. So one day I fucked him in the car after our session. Cumming after a workout is the best."

Are you ready for the real thing?

"I think so. I'm already loving masturbating with my butt plug in. The other day, I wore it to school, and I kept it in all day! I was on the verge of cumming the whole day. And I felt like such a naughty, little slut walking around with a toy in my butt while no one else knew."

THREE-WAY TURN

Continued from page 70

couldn't take it—the sound of Lisa's cocksucking was driving her insane.

"M-my turn," she huffed, swapping places and pushing Lisa onto Dev's lap. His huge prick slapped

"Can't tell whose mouth feels better," Dev commented, the girls trading his hard-on back and forth.

Lisa's ass, leaving a trail of saliva and pre-cum on her buttcheek. Darcy took hold of Dev's veiny shaft and went to town, embarking on a feverish, dirty-talking blow job.

"I can't wait to empty your balls," Darcy cooed. "Do you think you've got enough jizz for the both of us?"

"Gonna have to wait and see," Dev grunted, driving his tip against Darcy's cheek. She started playing with herself, her swollen clit throbbing. Wetness streaked both thighs. Their roadside rescuer sure knew how to fingerfuck a girl.

Lisa pushed herself up, bringing her pussy folds up against his chin. Dev flashed her one of those movie-star smiles.

"Whattya say?" Lisa inquired. "Fair is fair."

"Only if you promise to cum," he said. "Don't just tease me. I mean…a couple of times, at least."

He grabbed hold of her ass, her slit spreading, jamming his tongue into her hot center. Lisa wrapped her arms around his neck, both to hang on and so she could grind her twat into his hungry mouth. Upon comparing notes later, the gals confirmed Dev didn't just know how to fingerfuck, but he was also a grade-A pussy-eater.

Watching her bestie's butt bounce gave Darcy an idea. Relinquishing her hold on Dev's balls and ceasing her shaft-stroking, she put her palms on Lisa's backside and waited. As soon as Lisa came again, Darcy gave her just enough of a push, flattening her gushing pink against Dev's face.

Lisa howled. While she came, Darcy straddled Dev's thighs, pinned Lisa between them, and dropped her tight teen cunt around his fuckstick.

Lisa erupted again. Darcy'd lost count of how many times she'd cum. Reaching around, her fingertips traced the edges of Lisa's areola, a feeling her small-breasted friend absolutely loved. Riding Dev's dick like the rodeo was in town, she ran her nails over his belly, to his chest, and then…

"OH FUCKING SHIT!"

Lisa whimpered, Darcy's middle and index fingers slamming into her, girl nectar running down Dev's face. Straining, Darcy couldn't hold on any longer. With a not-so-gentle pinch, she held onto Lisa's tits and orgasmed like she hadn't in months.

Given the unique position, it wasn't hard for Dev to hang onto both girls and haul them off the couch, Darcy half-supported by his lengthy cock. Onto the floor they went, Darcy on her back, Dev between her legs, and Lisa swiveling to straddle her curvy friend's face.

"T-t-two-fer?" Lisa gasped, shifting from side to side, Darcy's tongue

turning her pal into human Jell-O. Tonguing Lisa's vag, Darcy managed to utter a gooey, "Mrhm-hrmh."

Dev's drive shaft pumped Darcy's gear box hard. He groped her firm tits, her juices flowing, the taste of Lisa's slit filling her mouth. Oh yeah, she was close all right, only…Lisa got there first.

She dropped, knees on either side of Darcy's ears, palms flat on the floor. Darcy arrived at the cum crossroads about 30 seconds later, clamping down so tight on Dev's hammer that she thought he might cum inside her.

"O-o-one…m-more," Lisa exhaled, eyes half-focused, looking like she might pass out.

That'd be a first, Darcy thought. They'd cum around each other too many times to count, and, when they were still worried about what the first time would be like with a boy, they'd gotten each other off. Y'know, just…practicing. But even the night they'd bet 10 dollars on who could make the other cream more, neither of them had lost consciousness.

Lisa bit her bottom lip, that sexy, too-turned-on-to-care look that made Darcy's pussy slick. She was almost there. Dev's cock was filling her tunnel, her walls stretched around him. She had one foot up over his shoulder, letting him get even deeper. She could see it in Lisa's eyes now. Any second. She swept her tongue side-to-side, the way Lisa liked it. Raked her nails down her bestie's back. Felt sure she'd left some marks. Lisa was starting to quiver. It wouldn't be long now.

Lisa pounded the floor with her fist, humping Darcy's face, going over the edge so fast Darcy was caught off guard. Lisa let out a long, low moan, then a high-pitched wail. What the hell was going on, Darcy wondered, although, she was too close herself now to figure it out.

Back arched, Darcy tongue-fucked Lisa to the verge of another climax, needing to grab her friend's ass to hold her in place. That was when she figured it out—what had gotten Lisa to explode so fast. With both hands on her fellow 18-year-old's bottom, she

felt a thumb. A thumb she traced all the way to Lisa's virgin back door. Lisa stared down at her, looking like she'd run a marathon.

"Sorry," she wheezed, and shook her head. Wasn't going to happen. Darcy gave both of her sensitive nips a pinch and pushed her back enough to speak…and get in a breath.

"Un-unh," she demanded. "All or fucking nothing."

With that, she thrust her middle finger into Lisa's fuckhole, pulled that smooth twat back onto her mouth, and revved it up a notch. The sound Lisa made might have been crying. Or it might've been a seizure. Suddenly, though, she was no longer interested in going anywhere. And Darcy was guzzling her dew like it was pouring out of a SQUIRT bottle.

Now, the countdown was on. Dev's rhythm was getting erratic. Darcy could tell that he wasn't going to last much longer. Lisa was doing her best, trying to hold on for one last orgasm. The night of the infamous 10 dollar bet, Darcy had won, thirteen-eleven. She'd only been with two guys, but she could hold out a teensy bit longer when she needed to. Right now?

There was no need to.

"Fuck me, Dev!" she begged. "Pound me 'til I gush!"

The words were muffled, but she felt it all coming together. Dev increasing his pace, balls slapping her taint. Lisa's shoulders tightening, thighs going taut. This…this was it. She, she was, was about to….

Lisa lip-locked her, Darcy's tongue the beneficiary of her final downpour. Darcy nearly threw Dev off, her pussy squelching with the mutual climax.

Third time's the charm, she thought, Dev pulling out of her twitching snatch with a bit of urgency.

The girls kneeled before him, eager to get the final payoff.

"Can't tell whose mouth feels better," Dev commented, the girls trading his hard-on back and forth. Darcy cupped his rock-hard balls. Wouldn't have surprised her if there was a quart in there.

A stream of jizz splashed Lisa's cheek, so much boiling up out of his nutsac it started running down her chin. Quickly, she took aim, Darcy's mouth opening up just in time to take his next spurt on her upper lip.

"Yummy!" she declared, handing him back to Lisa for a mouthful. She fingered a wad off her friend's cheek and sucked it down.

Between the two of them, they jacked and sucked his cock and then kneaded Dev's balls until he had nothing left to give. Faces spattered with his load, the two managed to clean it all up, Darcy lapping it off Lisa's sticky face, Lisa sharing a mouthful with a frenetic French kiss.

"Ooh, almost missed some," Lisa announced, hefting Darcy's tits to tongue-swab her boobies.

They collapsed, exhausted. Dev grabbed a hold of one of the bottles—whose he didn't know—and drained it. He handed one to Darcy, Lisa still staring at the ceiling.

"Heya chief, sorry I'm late!" came a voice from the front of the house. In stepped a guy of about 22, slender and wiry, holding up a car part.

"Hadda go over to…whoa!"

Darcy looked at Lisa, who was quickly perking up. This guy could've been Tom Holland's stunt double!

"Sorry, what was that you were saying?" Darcy asked, the bottle uncapped, her mouth slowly engulfing the tip. She didn't take her eyes off him. Both girls watched as he pitched a tent, eyes going from Lisa to Darcy, then back to Lisa.

"Monty! Like to introduce you to two friends of mine," Dev said. "Car broke down and they need some work. I'm thinking…oil change."

"How 'bout an axle lube?" Darcy offered. "Axles should be, like, really greasy, shouldn't they?"

Though they weren't on their way before sundown, mostly because the car part never got past the front door, Darcy and Lisa had no complaints.

Dev's buddy knew how to make a wicked-good omelet. And he didn't mind cooking naked. 18

Jessica: Disobedient Teen

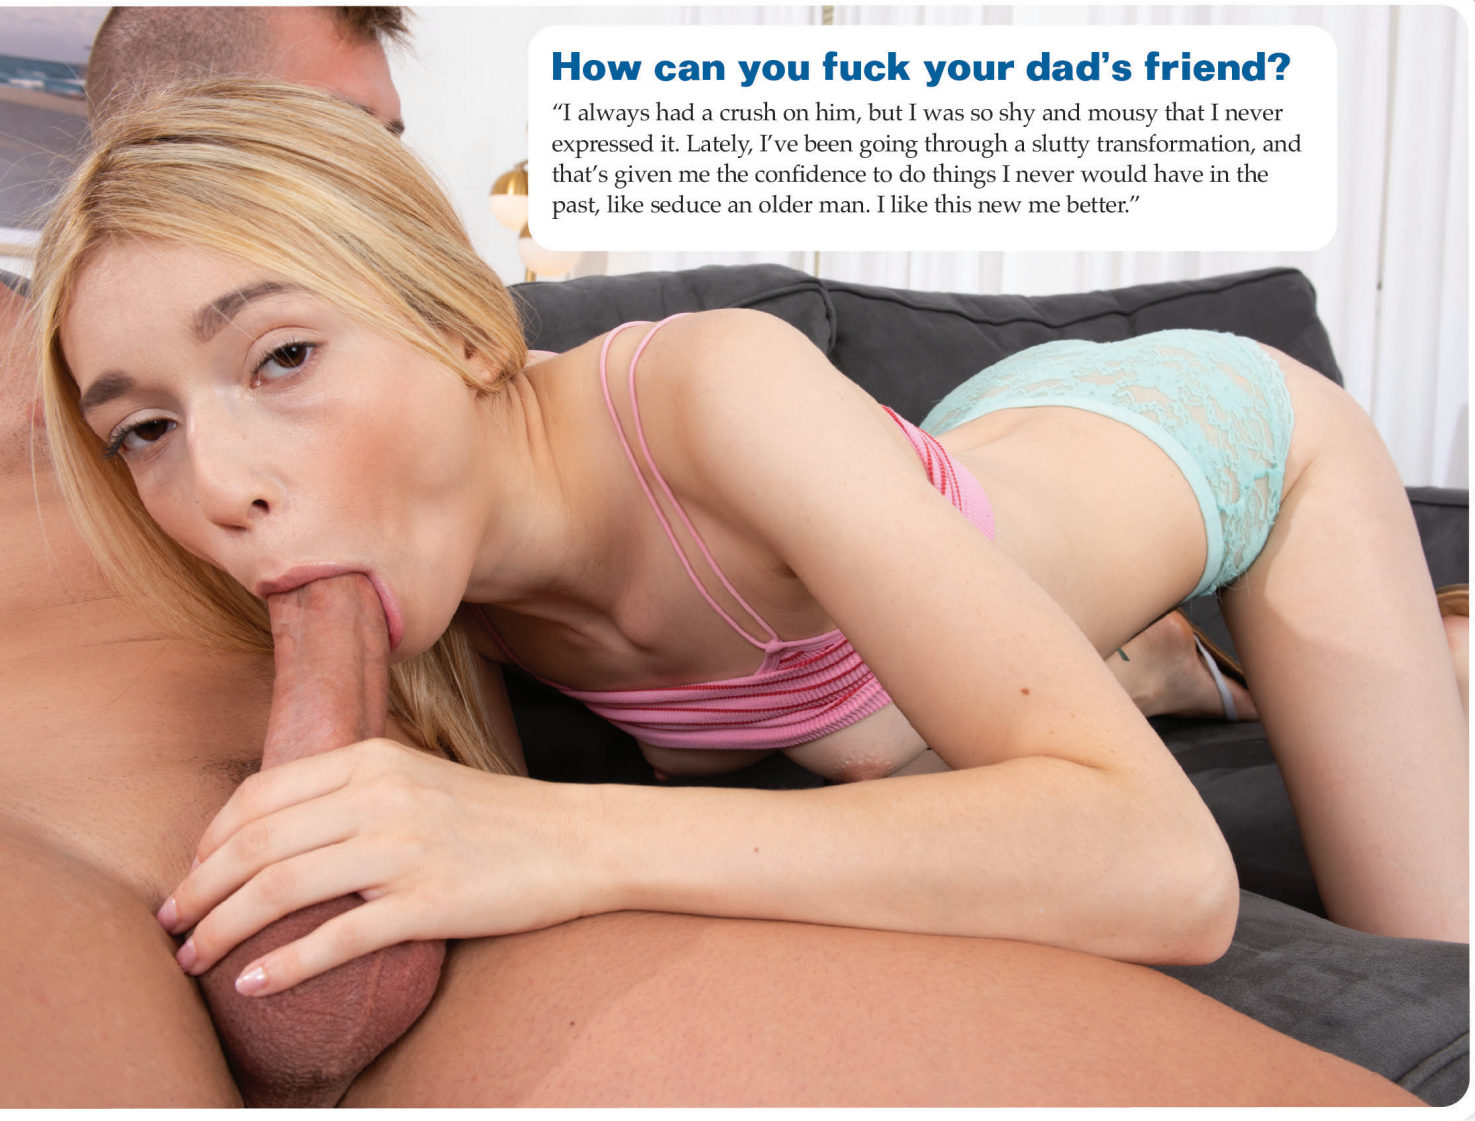

You can't tell Jessica what to do.

She knows her dad would be so pissed if he found out she seduced his friend, but Jessica doesn't care. This skinny teen gets dad's friend on the couch and sticks her ass in his face. Jessica seems confident and at ease as she unbuckles his pants. "It'll be our little secret," she says. "So you might as well relax and enjoy it, because it's happening. We're gonna fuck."

How can you fuck your dad's friend?

"I always had a crush on him, but I was so shy and mousy that I never expressed it. Lately, I've been going through a slutty transformation, and that's given me the confidence to do things I never would have in the past, like seduce an older man. I like this new me better."

Did he make you cum?

"Yes, more than once. I don't think I've ever been so wet before. After the first time I came, my pussy juice was dripping nonstop. It was running down his balls. He came pretty good, too–all over my face!" Watch the scene in *Teen Bait 2*.
